

Guide to JonHersh Movies

JonHersh Movies is a personal movie rating tool that keeps track of your star ratings!

HOW TO TEST:

1. Make an account by clicking on **Login** on the top right hand corner and clicking **"here"** where you see "Create a free account **here**"!
2. Enter a username and password for your account, make sure you don't forget it!
3. Press on **Login** on the top right hand corner and log in with the account you just created!
4. For time restriction purposes, the movie rating implementation was put into 5 movie titles; **Avengers: Endgame** (Action), **Deadpool** (Comedy), **Halloween** (Horror), **Holiday** (Romance), and **Joker** (Drama)
5. In the rating box, enter a number between 1 and 5, although any number works, and press **submit!** You will see the stars change accordingly!
6. To save your changes, log out of your account!
7. Next time you log back in, you will automatically see your star rating for the movie you rated!
